■ Why TraditionData?

Get closer to the market with TraditionData – a leading provider of data and information.

With over 1 trillion data points across 200+ products and 189 instruments going back 15+ years, as well as a global presence with 43 offices in 30 countries, we provide precision data and analytics to our customers that is used daily for trading and business decisions.

TraditionData is part of Tradition (Compagnie Financière Tradition S.A. (SWX: CFT)), one of the world's largest interdealer brokers in over-the-counter financial and commodity products. Tradition's long history of managing pricing liquidity and trade execution across multiple asset classes in vanilla and complex products in primary and emerging markets enables us to access prices in many of the world's most dynamic and traditionally opaque markets.
